

R403C_vs_Ctrl_D35 gobp

Dna Strand Elongation Involved In Dna Replication
 Negative Regulation Of Chromosome Segregation
 Regulation Of Mitotic Sister Chromatid Segregation
 Mitotic Sister Chromatid Separation
 Attachment Of Spindle Microtubules To Kinetochore
 Interstrand Cross Link Repair
 Chromosome Separation
 Regulation Of Sister Chromatid Segregation
 Regulation Of Chromosome Segregation
 Dna Unwinding Involved In Dna Replication
 Negative Regulation Of Chromosome Organization
 Cell Cycle Dna Replication
 Positive Regulation Of Double Strand Break Repair
 Sister Chromatid Segregation
 Mitotic Sister Chromatid Segregation
 Dna Templatd Dna Replication
 Recombinational Repair
 Positive Regulation Of Dna Repair
 Nuclear Chromosome Segregation
 Regulation Of Double Strand Break Repair
 Regulation Of Double Strand Break
 Repair Via Homologous Recombination
 Regulation Of Chromosome Organization
 Chromosome Segregation
 Double Strand Break Repair
 Regulation Of Dna Repair
 Dna Recombination
 Dna Conformation Change
 Dna Replication
 Heterochromatin Formation
 Negative Regulation Of Gene Expression Epigenetic

Collagen Fibril Organization
 Bone Growth
 Morphogenesis Of An Epithelial Fold
 Cell Proliferation Involved In Kidney Development
 Middle Ear Morphogenesis
 Axoneme Assembly
 Negative Regulation Of Cartilage Development
 Regulation Of Morphogenesis Of An Epithelium
 Nephron Morphogenesis
 Kidney Morphogenesis
 Embryonic Skeletal System Morphogenesis
 Animal Organ Formation
 Regulation Of Animal Organ Morphogenesis
 Cilium Movement
 Mesonephros Development
 Regulation Of Extracellular Matrix Organization
 Nephron Development
 Embryonic Skeletal System Development
 External Encapsulating Structure Organization
 Chondrocyte Differentiation
 Cartilage Development
 Regulation Of Chondrocyte Differentiation
 Positive Regulation Of Vasculature Development
 Skeletal System Morphogenesis
 Extracellular Transport
 Regulation Of Cartilage Development
 Skeletal System Development
 T Cell Selection
 Bone Development
 Cardiac Chamber Morphogenesis
